**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not increase the price for sonic fiber service from the local area. Being that there's only a few ISP company ATT and Comcast in the area. Sonic has been great alternative to the two big corporation. Sonic is a great company and give the competitive pricing to their customers. My previous ISP was Comcast and their service was not great and they price gauge each opportunity they can and lowering their service quality at the same time. Not many folks can avoid Comcast or ATT, sonic has been great alternative. Please care for the low income families who needs internet services as well. Having to deal with Comcast for many years, it had also affected my health due the stress level Comcast put on their customers. I felt so relieve once I moved over to sonic fiber service. Please DO NOT price hike for internet service.

Satisfy Sonic customer,

Ricky Chow
